Message from the President of the Lions Club of Hastings

I am delighted to be involved again with this year's fantastic local event in my second year as President of Hastings Lions Club.

Myself and my fellow Lions are excited to be working alongside Nice Work, an established race management company, who we have already forged a great working relationship with.

Taking this event into its 39th year, we recognise what an important fundraising event this is for all those taking part on behalf of their own personal charities, and admire the dedication and tenacity of all the participants in both the half marathon and the mini-run.

Hastings Lions Club makes donations to many worthy causes both locally, nationally and internationally and your generosity and support for this event allows us to continue supporting our local community and beyond. Since March 2022 we have donated nearly £44,000 to many needy causes locally as well as supporting International crisis situations such as the floods in Pakistan and the recent earthquakes in Turkey and Northern Syria.

I would again like to recognise and thank all those who continue to help with this event such as Hastings Borough Council, area marshals, scout and youth groups, local businesses and organisations, computer operators and the many other unpaid volunteers, without your support and time this event would not be able to take place.

I would also like to extend my thanks to our many sponsors who are supporting this event, particularly in these times of financial challenges.

I wish all those participating the very best of luck in achieving your own personal goals and hope that all those watching and supporting the runners on the day enjoy cheering them on and hope that the sun shines!

Finally, as this year's event draws to a close we will be looking forward to continuing working alongside the Nice Work team, to plan and celebrate our 40th anniversary half marathon in 2024.

Dave Luck
President – Lions Club of Hastings

From The Mayor

Welcome to our amazing Borough Hastings, and to the 39th Hastings Half Marathon.

I would like to wish you all the very best in competing in today's momentous and well-respected event in our yearly calendar. Since my childhood, I have always supported this well-loved event and having previously competed in the half marathon, I know how much hard work has been put into this by the runners and organisers to the benefit of so many individuals and charities.

I look forward to meeting many of you at the starting line and seeing you once again when you finish the race. I will be cheering you on with my wife, as will thousands of others from around the town and beyond.

If you are visiting Hastings and St Leonards for the day, please enjoy our friendly town and visit some of our amazing attractions and unique local businesses. You will find you are spoilt for choice!

Good luck to everyone taking part in the 2023 Hastings Half Marathon and a huge thank you to the Hastings Lions Cub, Nice Work Race Management and the many volunteers who make this event happen. You are awesome!

Stay safe, enjoy yourselves and have a truly wonderful day.

Message from Race Director 2023

The 2023 edition of the iconic Hastings Half Marathon brings one enormous change. To those of you who have taken part in the past, you will notice a change at the helm. After 38 years we say a fond farewell to Eric Hardwick who has hung up his racing boots and steps down as Race Director. On behalf of the Hastings Lions Club, Eric has built the event to the race experience that you know and love today and we would like to say thank you for all your hard work. This year Eric will be on the other side of the event and will be taking part.

Nice Work is a local race organisation located just down the road in Rye and we are incredibly excited to take over the reins of this huge and well known event. We have some big boots to fill. Having a charity background myself, I love that we can raise money for well deserving charities through races and this is made possible by you, our running community and taking part.

We are proud to be working with the Hastings Lions Club in the organisation of the race. We will bring the same Nice Work race ethos to Hastings of fun, friendliness and inclusivity. Don't worry, we haven't changed anything and the horse brass remains!

When race day finally arrives on the 26th March, it will be the result of an incredible amount of teamwork and volunteer hours. I'd like to send my thanks to all the unsung heroes that make the event happen. Many have been beavering away behind the scenes for many months and we're grateful for all your help. On the day there are a huge number of volunteer marshals providing their time to keep you safe and give an encouraging cheer. Please join me in thanking them as you pass round the course. None of it possible without you.

I'm looking forward to welcoming you to the town of Hastings and the start line of the 39th Hastings Half Marathon. I will be starting you off with the biggest cheer to say thank you to each and everyone of you for taking part and supporting this wonderful event. You are all going to smash it!!

Hastings Brass Award for Hastings Half 2023

Without question, one of the most popular changes we made in our thirty eight years, was to change from a medal to a brass award for each finisher.

These unique brasses, which every year have featured different aspects of Hastings, from 1066 through to such famous people as John Logie Baird, Grey Owl and even our own 'Banksy' (still able to see on the St. Leonards promenade), have in some cases to be so well sort after as to be sold on Ebay. They have certainly become collector's items in their own right.

These fine English horse brasses have been made since the Middle Ages to decorate horse harnesses. Since the time of Queen Victoria, many different designs have been made, but the Hastings Brass each year remains a unique award.

This year we are featuring Happy Harold. Happy Harold is a restored 1928 trolleybus that is a regular feature in carnivals and other events around the town. Returning to the town in July 1980 after restoration, this open-decked trolleybus was the sole survivor of a group of eight such vehicles. The open-topper proved to be an enormous success and was in service right up to the end of the system in mid 1959.

In 1980 Hastings Borough Council acquired the vehicle for £1000 to ensure its survival and it appeared at rallies promoting Hastings Tourism.

When you see "Happy Harold" try to imagine it in its heyday, before the noisy diesel engine was fitted - silent, energy efficient and non-polluting, using no energy at all whilst standing still and even producing electricity through its regenerative braking and then remember it was built 95 years ago and ask yourself, have we really made any progress at all with public transport.

The brass above is set upon a leather martingale, and is a great way to display your brass. The Martingales can be purchased from race centre, or 'online' at www.hastings-half.co.uk and there are options to have singles or doubles, or martingales that will hold four, six or eight brasses. You can also have a tab added to the back of your brass, with your race details. Go to www.mysportingtimes.com to book them.

We trust that you will appreciate and enjoy our Hastings Brass for 2023.

Almost losing my life back in 2018 made me really question my fitness and my health/lifestyle choices. I had to work hard over the years to make sure that doing this half again was safe and I was ready for it.

Completing the race again in 2022 with an 18 minute PB was one of the best decisions I have ever made and I really hope that what happened in 2018 hasn't put anyone off doing this fantastic race.

Whether you're running for a charity or just for yourself to beat a time, I wish the best of luck to everyone competing, I shall see you there on the starting and finishing line in March.

Andy Knight

Race Commentator

We are delighted to have each year a fantastic race commentator in Andy Knight.

We thought you would like to see what the man behind the voice looked like!

Andy is a very experienced commentator and radio presenter, who works a lot for More Radio.

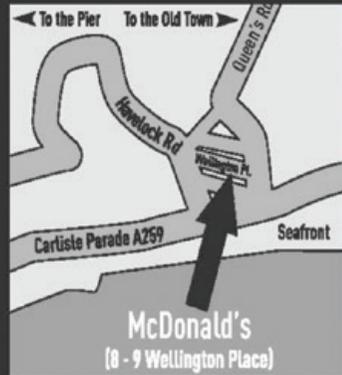

But besides this he is a valued member of Hastings Runners, and a regular volunteer at Hastings Park Run. A good runner in his own right, he has the ability to identify with runners from his own experience. He has run Hastings Half many times.

He tries, with help, to name as many finishers as possible as they go over the finish line, and I am sure you will agree he does an incredible job.

We are very fortunate indeed to have someone with his class and knowledge, who sounds great on The PA system.

Thank you Andy.

WHERE THERE'S A NEED THERE'S A LION

What do we do?

Broadly speaking, we raise money and give it away to good causes, as well as running events and assisting other charitable and civic organisations with theirs. Our biggest fund raiser is the annual Half Marathon, but we do other things as well, an annual Golf Day and store collections for Surviving Christmas amongst others.

Who benefits?

Most of the money we raise is spent in Hastings and St Leonards. Come along to one of our meetings and see for yourself.

What is the commitment?

- Two meetings each month.
- A 2 hour business meeting, which we would expect you to attend whenever possible, and a dinner meeting which is not compulsory.
- As much free time as you can spare, but family must come first.

What's in it for you?

Meet new people, make new friends. Help others and gain fun and satisfaction whilst giving something back to your community.

What will it cost?

Approximately £1.50 per week.

Why not join us?

We meet on 2nd Tuesday in the month, at White Rock Hotel, at 7.30pm. Working with other like-minded people and Lions clubs throughout the South East (and beyond) can be great fun and very rewarding.

Since Covid-19 we have still been able to donate over £66,000 to local, national and international needs.

Our club was chartered in 1969 and **serves the Borough of Hastings and St. Leonards.**

Over the past 20 years, the **Hastings club has donated over £1,000,000** to local organisations, community groups and individuals in need, across the borough.

Our aim is to support our community and we are renowned not just for our financial support in the form of grants, but also practical **support with fundraising activities including events organised by other charities.**

Hastings Lions Club organises a number of annual events including supermarket collections and for over 30 years has held an annual charity golf day at Highwoods Golf Club as well as the Hastings Half Marathon which attracts **thousands of participants every year.**

Congratulations on completing the race.

Ours is a runbritain-licensed event and therefore your time is included in calculating your free runbritain handicap score. Almost 90,000 runners of all standards have now claimed their runbritain handicap score. As well as giving you a current score, between scratch and 36.0, your free personalised running biography page includes your current national ranking by age band and postcode, your position on the national ladder, your progress graph, your strongest distance, a head-to-head comparison with other runners and downloadable training schedules to improve your score next time you race. Your handicap score also updates automatically every time you complete a licensed event.
