# Message from the President of the Lions Club of Hastings

Who would have thought that from humble beginnings a long time ago we would be now celebrating 40 years of the Hastings Half Marathon. In my third year as President of Hastings Lions club I am again delighted to be involved with this fantastic local event bringing the community together to mark our 40th Anniversary. I would like to acknowledge, recognise and thank the hard work of the many people that have been involved with this event for the past 40 years.

Myself, and my fellow Lions are thrilled to be working again in our second year alongside the Nice Work team, an established race management company, with whom we continue to develop and nurture great working relationships.

Taking this event into its 40th year, we recognise what an important fundraising event this is for all those taking part on behalf of their own personal charities and admire the dedication and tenacity of all the participants in both the half marathon and the mini-run.

Hastings Lions Club makes donations throughout the year to many worthy causes both locally, nationally, and internationally and your generosity and support for this event allows us to continue supporting our local community and beyond. Since March 2023 we have donated nearly £27,000 to many needy local causes and individuals, as well as donating to the national charity Prostate Cancer UK and the International crisis during the earthquake in Morocco.

I would again like to recognise and thank all those who continue to help with this event such as Hastings Borough Council, area marshals, route marshals, scout and youth groups, local businesses and organisations, computer operators and the many other unpaid volunteers, without your support and time this event would not be able to take place.

I would also like to extend my thanks and gratitude to all our sponsors, some who have supported us for many years and continue to do so, and a heart-felt welcome to new sponsors this year. Your support for this event is truly appreciated.

I wish all those participating the very best of luck in achieving your own personal goals and hope that all those watching and supporting the runners on the day enjoy cheering them on and hope that the sun shines!

# Message from Race Director 2024

**This year we celebrate an enormous milestone with the 40th edition of the prestigious Hastings Half Marathon and it promises to be even bigger and better!**

We have over 3000 runners taking to the pavements of the seaside town of Hastings. So many of you have put in hours and hours of hard work in both training miles and fundraising for so many great causes. We are so excited to see you all on the start line and do let us know if you are celebrating something special and the man on the mic (Andy Knight) will give you a shout out.

Now that race day is almost here, we would like to say a huge thank you to all the hard work of the Hastings Lions and Nice Work organising committee who have been working on all the preparations for the past 12 months. So much hard work goes on behind the scenes to make sure that you have an enjoyable race experience. Do give the race a review if you've enjoyed it!

When race day finally arrives on the 24th March, it will be the result of an incredible amount of teamwork and volunteer hours. We would like to say a very big thank you to everyone who donates their time to help out on the course, whether that's handing out water at the water stations, cheering on our runners, helping close off roads to keep you safe, providing refreshments, music groups along the way, sponsors and pacers. Please join me in thanking them as you pass round the course. None of it possible without you.

If you are going for a specific time, keep an eye out for our official Hastings Half Marathon pacers. They will be in the start funnel amongst you all and can be spotted wearing race packs with feather flags. We have pacers for 1hr 40 through to 2hr 30 in 10 minute bands to help pace you to the finish.

I'm excited to see you all for this special anniversary race back in our local seaside town. I'll be the one in the RD high vis jacket on top of the bus giving you all a massive cheer. Thank you to you all for supporting this iconic event... go smash it!

## From The Mayor

### Welcome to historic, hearty and hilly Hastings for our 40th Half Marathon.

What a pleasure it is to have been asked to write a piece for the Hastings Half Marathon 2024. I am just glad that I haven't been asked to run in it!

This is an event in which participation is for the physically fit, mentally strong and those that have the stamina of a camel. I for one have none of these! I just want to take this opportunity to thank all those that are taking part this year! You are all an inspiration and incredible. Your dedication and determination is a true testament to this brilliant annual event so kindly put on by the Lions Club.

I am looking forward to meeting you all at the finish line. I thought about running a marathon once, but I think 'Netflix and chill' is more my speed. Seriously you are all amazing! It takes a special kind of person to be able to do something like this. I am very honoured as the mayor of Hastings to be able to supply our wonderful town on behalf of the people of Hastings for you to do this. Good luck to you all! I will be hoping for some traditional Hastings sunny weather for the day! See you there.

# A Short History of the Hastings Half Marathon Brasses

By John Cattaway,  
Hastings Lions - Entries & Results Sec

The famous Hastings Half Marathon Horse Brasses started with the 1998 event sponsored by Hollingsworth Motor Company and for the first few years the theme for the brass was the Battle of Hastings and King Harold.

In 2004 we involved the Cinque Ports with a fishing boat and in 2006 Hastings Castle came into view on the brass. 2007 led to the famous fishing net huts in the old town and in 2008 the East Hill Cliff Lift appeared and also a special brass to celebrate the Hastings Centennial Marathon of 1908 being repeated in 2008.

The 25th anniversary of the event occurred in 2009 and fishing boats appeared again on the 2010 brass. 2011 saw a sand and sandcastle image and in 2012 the famous John Logie Baird of Television history was incorporated together with another special celebrating Hastings hosting the Olympic Torch relay through the town.

One of the celebrated people of Hastings, Grey Owl was given a place on the 2013 brass and 2014 saw the 30th anniversary of the event.

2015 saw King Harold return and also saw a once-only race on the new Hastings to Bexhill link road before it was officially opened. We celebrated the 950th anniversary of the Battle of Hastings in 2016 and Battle Lions had their 'Way to Battle' race across country via fields and roads.

Hastings Pier appeared on the 2017 brass when the pier reopened after a refurbishment and in 2018 the famous 'Ghost of Dunkirk' Lifeboat was depicted and this helped to rescue an estimated 3000 troops from Dunkirk. The 2019 brass featured the sculpture in the Race Gardens of King Harold and his common law wife Edith Swanneck.

Although a brass was produced for the 2020 event depicting Alan Turing, due to covid, it was not until 2022 when the brass was reproduced with Alan Turing again. He spent some of his childhood in Hastings and was considered as the father of modern computer science and developing his BOMBE in regard to working as a codebreaker during the war.

2023 saw Happy Harold trolleybus, a 1928 restored vehicle and the sole survivor of a group of 8 open-top trolleybuses which were in service right up to 1959. And finally this years brass celebrating the 40th anniversary of the race which started in 1984.

## A look back on 2023: The first ever joint winners

One of the highlights of Hastings Half Marathon's long history was solidified in 2023.

None of us anticipated the front two runners (who battled so fiercely throughout the 13.1 miles) to decide on the final few metres to cross the finish line hand in hand and take joint first place.

A huge hats off to Charlie Brisley and Adam Clarke for becoming the first ever joint winners of the Hastings Half Marathon.

INTERNATIONAL DISASTER APPEALS IN MOROCCO,

Above: Sylvia and her family, who are all running this year.

## **An interview with Sylvia Huggett, the lady who has ran every single Hastings Half Marathon.**

There are 10 runners who have crossed the start and finish mats of every Hastings Half Marathon since its inception, all of whom have given so much to the race over the years. They are known now as the Heroes of Hastings Half. There is however, only one lady.

Sylvia Huggett, a member of Hastings Runners, is running this year alongside her family members; three generations of Huggett's will take part in either the Half Marathon or Mini Run.

We sat down with Sylvia to discuss her feelings towards the event and some advice to those who are doing it for the first time.

### **When did you hear of the first Hastings Half Marathon and what made you sign up?**

I had run the London Marathon in 1983 and subsequently had my daughter so didn't run for a while. But then I saw the Hastings Half Marathon come along and I thought – got to do that! It's just such a good event, it's really expanded now with the support. Somebody said to me the other day "are you going to do the 50th one?" and I just laughed. We'll see.

**How long do you think you'll keep on racing the HHM?**

I'm not sure, I enjoy running but road running is more painful than off-road with my knee. But I think, as long as I keep enjoying it, I will keep on going. There's no point running if you don't enjoy it.

**Is there anything that stands out as a really good experience during the HHM?**

For me it's when my whole family do it. The 25th one, the 30th one, the three children and my husband all did it, this year we're all doing it. We've even got grandchildren in the mini run so there's three generations doing it.

**What are your connections to Hastings? Have you lived here your entire life?**

We moved down here in 1981 with my husband's work but when we were youngsters we used to come to Hastings on holiday! So, Hastings goes back a long time for us. We love the area, there's a great community – we won't move again.

**What tips would you give to someone who's running the Hastings Half for the very first time?**

Go out and enjoy it. Don't put any pressure on yourself. Sometimes people think you've got to run all of it, you've got to go and just enjoy it. You get so much support from the crowds... it's great to just enjoy it.

**We've got an official Hastings Half Marathon playlist where people can add their favourite running songs, would you like to add one?**

Ah, and I've got to think of it right now?! Well obviously, Chariots of Fire is always a good one – it gets you going!

**Support from Friends**

Kate and Arlene will be running alongside the Huggetts raising funds for St Michael's Hospice and remembering lost loved ones.

# Andy Knight

## Race Commentator

We are delighted to have each year a fantastic race commentator in Andy Knight.

We thought you would like to see what the man behind the voice looked like!

Andy is a very experienced commentator and radio presenter, who works a lot for More Radio.

But besides this he is a valued member of Hastings Runners, and a regular volunteer at Hastings Park Run. A good runner in his own right, he has the ability to identify with runners from his own experience. He has run Hastings Half many times.

He tries, with help, to name as many finishers as possible as they go over the finish line, and I am sure you will agree he does an incredible job.

We are very fortunate indeed to have someone with his class and knowledge, who sounds great on The PA system.

Thank you Andy.

Hastings Runners flagship event returns for its 17th anniversary this year, and the mainly seafront route which starts and finishes in the town centre again includes a loop of the town's historic pier.

Having regained our Sussex Grand Prix status, we expect 450 - 500 runners to take part.

The event has raised nearly 65k for St. Michael's Hospice during this period.

All finishers will receive a superb medal designed by Hastings Runners' Matt Edmonds, who has also designed a special race t-shirt which can be purchased when doing your race entry.

# WHERE THERE'S A NEED THERE'S A LION

## What do we do?

Broadly speaking, we raise money and give it away to good causes, as well as running events and assisting other charitable and civic organisations with theirs. Our biggest fund raiser is the annual Half Marathon, but we do other things as well; an annual Golf Day and store collections for Surviving Christmas amongst others.

## Who benefits?

Most of the money we raise is spent in Hastings and St Leonards. Come along to one of our meetings and see for yourself.

## What is the commitment?

- Two meetings each month.
- A 2 hour business meeting, which we would expect you to attend whenever possible, and a dinner meeting which is not compulsory.
- As much free time as you can spare, but family must come first.

## What's in it for you?

Meet new people, make new friends. Help others and gain fun and satisfaction whilst giving something back to your community.

## What will it cost?

Approximately £1.50 per week.

## Why not join us?

We meet on 2nd Tuesday in the month, at White Rock Hotel, at 7.30pm. Working with other like-minded people and Lions clubs throughout the South East (and beyond) can be great fun and very rewarding.

Since Covid-19 we have still been able to donate over £66,000 to local, national and international needs.

## Congratulations on completing the race.

Ours is a runbritain-licensed event and therefore your time is included in calculating your free runbritain handicap score. Almost 90,000 runners of all standards have now claimed their runbritain handicap score. As well as giving you a current score, between scratch and 36.0, your free personalised running biography page includes your current national ranking by age band and postcode, your position on the national ladder, your progress graph, your strongest distance, a head-to-head comparison with other runners and downloadable training schedules to improve your score next time you race. Your handicap score also updates automatically every time you complete a licensed event.
